CURRICULUM VITAE

Name : Sahil S Hamdare

Contact No: +974-66531238/+91-9561950601

Email id : sahil.hamdare@gmail.com

Gcc Experience:(Lusail Hospitality and Services) Lusail Palace.

(Aktor Como Intercity FM) Doha Metro.

(Kentz- engineers and constructors) Sidra Medical and Research Centre.

Career Objectives :

To seek a long-term placement within a dynamic organization offering excellent growth and effectively utilizing my skills and qualification to the optimum level to further develop my career.

Industrial Experience:

Lusail Hospitality and Services (Qatar)

HVAC Mechanical Supervisor (Lusail Palace Project)

19 April 2023 - 19 October 2025

- In-charge of the maintenance activities involved in and around the palace and multi-purpose building of MEP assets of facilities.
- Preparing maintenance schedule and allocating man power as per requirement.
- Reporting maintenance/modification activity to maintenance manager.
- Coordinating with different sub-contractors and supplier for MEP activities.
- Hand on experience of air cooled chillers (Daikin/Trane 150 TR).
- Experience on maintenance of chiller and freezer machines(Bitzer), vrv (Daikin),split AC (Daikin,Fuji), package AC unit.
- Knowledge of electrical assets,and maintaining inventory for all MEP Spares.

Aktor Como intercity FM.(Qatar)

Person In-Charge (Doha Metro project)

23rd September 2019 – 20th January 2023

- Operation and maintenance of Mechanical equipments installed in Facility.
- Carrying out the Planned Preventive maintenance(PPM) according to the Schedule given in the maintenance software App (Maximo).
- Sound Knowledge of booster pumps,submersible pumps, and its operation.
- Monitoring the mechanical equipments of AHU,FAHU- SKM make and carrying out motor bearing and blower bearing problem.
- Fault-finding and repair of fcu, troubleshooting of its motor and controller.
- Experience of working on CRAC(computer room air-conditioning) units, CHW and DX, EDPAC/Emerson make and troubleshooting for the same.
- Worked with electrical team for electrical maintenance activities in station.
- Carried out DLP activities for station assets.

Faab Industries

Incharge - Mechanical supervisor

17th September 2017 – 30th June 2019

- Manufacturing of in lined pipes, Dip tubes, and fittings, (i.e, PTFE Lining, on internal and external surface of CS, MS, pipes used in chemical industries, fertilizers, refineries, etc.)
- Manufacturing of fittings i.e, Tee, Elbow, Reducer, instrument Tee, etc, of fabricated carbon steel material having fixed flanges at ends or slip-on flange as per requirement.
- Sound knowledge of flanges used on pipes and fittings, and its fabrication, types of flanges – 1.Forged Flange A105 Class 150# and Class 300# 2.Plate Flange 2062 3.DIN Flanges.
- Can read the Isometric line diagram, of pipe line system given by the client and prepare the BOQ according to it, Can read the PO and carry out the production.

Kentz- engineers and constructors.(Qatar)

Hvac mechanical foreman (Sidra medical & research centre project)

18th November 2016 – 30th June 2017

- Operating and maintenance of water cooled centrifugal chiller make- Mcquay. 2283 TR. - 9 nos.
- Operating primary pump, secondary pump, condenser pump and cooling towers.**(csb)**
- Sound knowledge of secondary and tertiary pump circuit supplying chilled water to hospital building through heat exchangers.
- Monitoring the cooling tower and carried out motor bearing problem.
- Maintenance in primary,secondary and condenser centrifugal pumps.

Majestic cooling solutions.

Hvac site supervisor (Building project)

21st December 2015 – 30th September 2016

- Installation of water cooled screw chiller of make- carrier 115TR -2 nos.
- Monitoring the erection of plant room.
- Reading and studying the schematics for planning of hvac systems.
- Co-ordination with contractor and client for any technical issues.
- Responsible to check the equipments received according to the BOQ.
- Installation of split Air conditioner(Daikin), arranging all Ac material on site.
- Know about duct material and insulation materials used in HVAC industry.
- Done the installation of ducts and piping system.

Gadre marine export pvt ltd.

Mechanical maintenance supervisor

1st august 2014 – 30th November 2015

- Maintenance of mechanical equipments like compressor, reciprocating open type 100 TR make- kirloskar, pumps, mechanical seals, geared motors,lobe pumps etc.
- Carried out the maintenance work of machineries to perform the production line smoothly in the fish processing unit (surmi and fish meal).
- Worked on projects like modification and fabrication of tanks, and pipelines.

- Successfully carried out the work during shutdown maintenance.

Jk files (INDIA) limited.
Trainee engineer

- Completed successful inplant training at JK FILES (INDIA) LIMITED.

Certification:

Post Graduate diploma in HVAC Engineering
MEP centre, Dhanush Institute,2016

Educational Qualifications:

Bachelor of Mechanical Engineer, 2014
Shivaji University, Kolhapur

Diploma (Mechanical Branch), 2010
Maharashtra state Board of Technical Education, Mumbai

Personal details:

- **Date of birth** : 11th Oct, 1991
- **Passport No** : R2726983 (18/07/2017 – 17/07/2027)
- **Marital Status** : Married
- **Permanent address : 102/A, Fodkar complex, udyamnagar, Ratnagiri.**
- **Gender** : Male
- **Languages Known** : English, Hindi, Marathi.

Declaration:

I hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the above mentioned particulars.
Date: December 22, 2025.
