

NIPUN PRIYASHAN MADUSHA HERATH

A highly motivated and skilled Maintenance General Technician with hands-on experience in electrical, mechanical, and MEP systems. Seeking to leverage my technical expertise and problem-solving abilities to contribute to the operational excellence of a dynamic organization. With a background in ensuring equipment functionality, troubleshooting, and supporting engineering projects, I aim to further develop my skills in building service technologies and provide efficient maintenance solutions that enhance the safety and reliability of operations. Committed to continuous learning and applying my knowledge to achieve organizational goals while ensuring the highest standards of service and quality.
