Objective

To obtain a position as a BMS Operator where I can utilize my knowledge of Building Management Systems, HVAC monitoring, fire alarm systems, and safety procedures to ensure efficient building operations, preventive maintenance, and a safe working environment while contributing to the growth of the organization.

Experience

Al Zahra, Hospital
Dubai, UAE
03/2023 - 05/2025

Designation: BMS Operator

- Operate and monitor Building Management System (BMS) for HVAC, electrical, fire alarm, and utility systems.
- Continuously monitor alarms, faults, and system abnormalities to ensure smooth building operations.
- Perform daily inspection and preventive monitoring of chillers, AHUs, pumps, generators, and ventilation systems.
- Maintain proper temperature, humidity, lighting, and energy efficiency within the facility.
- Respond quickly to emergency situations, equipment breakdowns, and critical alarms.
- Coordinate with maintenance and engineering teams for troubleshooting and corrective actions.
- Prepare daily operational reports, logs, and incident records accurately.
- Ensure compliance with safety standards, company procedures, and operational guidelines.
- Monitor energy consumption trends and support energy-saving initiatives.
- Handle BMS software operations, SCADA systems, and control panels effectively to maintain uninterrupted facility operations.

Tata Main Hospital
Jamshedpur, INDIA
09/2018 - 11/2022

Designation: BMS Operator

- Monitor and operate Building Management System (BMS) equipment.
- Control HVAC, electrical, and utility systems efficiently.
- Respond to alarms and system faults immediately.
- Maintain temperature, humidity, and ventilation settings.
- Record daily operational data and equipment status.
- Coordinate with maintenance teams for repairs and servicing.
- Monitor energy usage and support energy-saving measures.
- Ensure smooth operation of fire alarm and safety systems.
- Perform routine system inspections and troubleshooting.
- Follow safety procedures and emergency response protocols.
